Terms

Payment terms are VISA, Master Card, COD or Net 30 days OAC, FOB Chico, CA. We ship via UPS unless otherwise specified but reserve the right to use another carrier should conditions warrant. Purchasers of Designer Kits, if not satisfied for any reason, may return the kit within 30 days of purchase for a full refund less shipping costs upon receiving an RMA number from C Sys Labs. To qualify, the merchandise must be returned to C Sys Labs in the same condition as when received by the customer. Sales taxes, when appropriate are in addition to quoted prices.

All prices are subject to change without prior notification.

* To order a designer kit which contains the TVM2464LTC LED back light module, order part number TVM2464KL. Price \$415.00

Limited Warranty

C Sys Labs warrants its products to be free from defects in materials and workmanship for a period of 12 months. During this period C Sys Labs will repair or replace at its option any defective parts without charge to you. All returned product must have a RMA number.

This warranty does not apply to any damage as a result from misuse, abnormal usage or as a result of the equipment being subjected to a high impact. Damage sustained during shipment is also not considered under this warranty and claims for such must be submitted to the carrier. This warranty also does not apply when improper repairs or repairs by a non-authorized repair facility have been performed on the product.

Product being returned for warranty service must be properly packaged and sent shipping prepaid. The repaired product will be returned via UPS. If repairs, which are not covered by this warranty, are performed the equipment will be returned back to you COD.

INCIDENTAL AND CONSEQUENTIAL DAMAGES:

This limited warranty does not cover any incidental or consequential damages caused by defects in material or workmanship.

Some states do not allow exclusion or limitation of incidental or consequential damages so the above limitation may not apply to you.

This warranty also gives you specific legal rights and you may have other rights which vary from state to state.

To obtain warranty service or further information, please contact us directly.
